NATIONAL ORDER OF THE ARROW
OCEAN ADVENTURE
Florida Sea Base – Islamorada, Florida

<http://adventure.oa-bsa.org>

"The Order of the Arrow is a thing of the outdoors rather than the indoors. It was born in an island wilderness. It needs the sun and rain, the woods and plains, the waters and the starlit sky."

-E. Urner Goodman

FLORIDA KEYS ADVENTURE FOR ARROWMEN

The Order of the Arrow, in cooperation with the Florida Sea Base, is offering you an opportunity to provide cheerful service while experiencing the adventure and fun of one of the greatest ecosystems on our planet – the Florida Keys and the waters which surround them. This ten day program will provide an array of service opportunities that include work helping to develop the Florida Keys Heritage Trail, removing invasive species in and around the Sea Base's Big Munson Island, and supporting both the Crane Point Nature Center and Marathon Wild Bird Center in preserving the Keys flora, fauna and wildlife. You will be camping at both Big Munson Island and Crane Point during the service portion of the program, after which you will move aboard a 40-50' sailing yacht for four days at sea. While afloat, you will experience the fun and excitement of life in the Keys from the unique perspective of a sailor as you sail, snorkel on pristine coral reefs, troll for sportfish, and swim in the warm waters of the Keys.

Your program is a 10-day experience in which you will experience wilderness camping, kayaking, sailing, fishing, snorkeling, team building (including a trip on a war canoe) and of course cheerful service. The program will be conservation based and will seek to help protect the eco-system of the Florida Keys.

In addition to the conservation service, participants will strengthen leadership skills, learn about the Keys eco-system and its marine environment, experience life afloat and strengthen understanding of the Order of the Arrow.

REQUIREMENTS

1. **IMPORTANT:** Preference for the 2011 OA Ocean Adventure will first be given to past participants of the OA Wilderness Voyage and/or Canadian Odyssey at Northern Tier and/or past participants of OA Trail Crew at Philmont in order to ensure participants have the opportunity to complete the OA High Adventure Triple Crown Award. If you have not participated in either OAWV or OATC before, please visit <http://adventure.oa-bsa.org> and consider applying.
2. Be at least 16 years old the day your program begins, but not yet 21 by its conclusion.
3. Be physically fit, and able to comfortably pass the BSA swim test.
4. Be in good health as evidenced by a Sea Base Health and Medical Record form (<http://www.bsaseabase.org/filestore/seabase/pdf/medical.pdf>) filled out and signed by your doctor within the past 12 months. People weighing 300 pounds or over are not allowed to participate in Sea Base High Adventure.
5. Be a registered member of both the BSA and local OA lodge.

HOW TO APPLY

Complete the enclosed application, have it approved by both your Scout executive and lodge adviser, and receive parental permission if you are under the age of 18. *Mail your completed application and \$100 deposit to the Order of the Arrow, Boy Scouts of America, P.O. Box 152079, Irving, Texas, 75015-2079. The Order will begin notifying applicants of acceptance by March 15, 2011.* Following receipt, a packet of materials will be sent to you to prepare you for your experience at the Florida Sea Base. Applications will continue to be accepted after March 15 until all slots are filled.

LODGE AND COUNCIL RESPONSIBILITIES

Lodges and councils should only approve those youth Arrowmen who meet all of the qualifications for this program. The OA Ocean Adventure at the Florida Sea Base is a challenging experience and is physically demanding. It is not for those who are not physically prepared for the challenges of the Florida Keys and Atlantic Ocean.

PROGRAM COSTS AND TRAVEL ARRANGMENTS FOR PARTICIPANTS

Participant cost is \$400 for the 10-day experience. A \$100 non-refundable deposit is required with this application. The balance of the fee is due at the time of acceptance as a participant in the program. This fee covers food, housing, and all other program related expenses. Additional expenses, including travel to and from Sea Base as well as miscellaneous purchases, are the responsibility of the participant.

A shuttle is available from the Miami International Airport to Sea Base's Brinton Environmental Center located on Summerland Key, 23.8 miles north of Key West, Florida. The shuttle leaves the airport at 2:45pm on the day of your starting date, arriving at Sea Base at 5:00pm. The return trip leaves at 7:30am on your last scheduled day, arriving at Miami International Airport at 9:30am. Plan to arrive at Sea Base no later than 5:00pm on your starting date. Shuttle information and registration forms will be included in your packet (we estimate the round trip shuttle fee will be approximately \$60.00). **Participants are strongly encouraged to find a travel companion from their home council to ease the process of traveling to the base.**

Those applicants not accepted as participants in the program will have their deposit returned. Participants canceling acceptance will be eligible for a refund minus their deposit if notification is received in the national office by May 15, 2011. No-shows and participants who cancel after May 15, 2011 are not eligible for a refund.

2011 NATIONAL OA ADVENTURE CODE OF CONDUCT

The general welfare of any group depends on the conduct of each individual member. A strong code of conduct ensures the success of our national service project and provides the maximum benefit to every participant. As an Arrowman, I understand this and support the reasonable demands of conduct expected of me.

As a member of the Order of the Arrow, I will:

- Live the Scout Oath and Law and Order of the Arrow Obligation.
- Observe, respect, and strive to live the Boy Scout Outdoor Code.
- Wear my full official BSA uniform when required.
- Attend and participate in all functions of the program.
- Be personally responsible for damage or loss of property.
- Respect all safety procedures and learn to use equipment properly.
- Observe quiet hours.
- Keep my living space clean and dispose of trash in its proper place.
- Be considerate of other participants and staff at the Florida Sea Base at all times.
- Understand that the purchase, possession, or consumption of alcoholic beverages, cigarettes or illicit drugs at any time during the program will not be permitted and will result in dismissal from the program at the expense of the participant. This standard shall apply to all participants. Compliance with Florida state law regulations will apply at all times.
- Respect the laws and regulations of the State of Florida, Monroe County and the Florida Sea Base rules. These regulations include a prohibition on the use of fireworks, firearms, and gambling; any violation of which will be grounds for immediate dismissal from the program at the expense of the participant.

RISK ADVISORY – FLORIDA SEA BASE

The Florida Sea Base has had an excellent health and safety record from its inception in 1980. The Sea Base strives to minimize risks to participants and adult leaders through emphasizing proper safety precautions. Most Sea Base participants do not experience injury during their adventure precisely because they are aware of the risks involved and because they exercise proper safety precautions. To attend the Sea Base you should be physically fit, have proper clothing and equipment, follow the instructions of your staff members, work as a team and take responsibility for your own health and safety. By studying the itinerary for your specific program and the Guide to Safe Scouting, a crew can be properly prepared for the contingencies that may arise during their adventure.

Parents, guardians, adult leaders, and participants in Sea Base programs are advised that Sea Base programs and journeying to and from the Sea Base can involve exposure to accidents, illness, and/or injury associated with a physically demanding high adventure program conducted in a sometimes hostile aquatic environment. Participants may be exposed to severe weather conditions such as high heat and humidity, tropical storms, and intense tropic sun. Other possibilities include sunburn, heat exhaustion, and heat stroke, dehydration, asthma, and heart attacks.

Sea creatures such as rays, anemones, sea urchins, coral, barracuda, and sharks, pose little or no threat if safe distances and respect are given them. Be aware that Sea Base has a no-touch/ no-take policy with regard to the coral and creatures of the reef.

The Florida Sea Base is dedicated to the mission of serving young people in a safe, educational, enjoyable, aquatic environment. We are trained for emergencies and able to act in an expedient manner. Furthermore, professional medical services such as hospitals and physician's offices are a short distance from Sea Base programs and the Sea Base maintains a fine working agreement with these facilities.

WEIGHT GUIDELINES FOR HIGH ADVENTURE ACTIVITIES

Any participant or adviser who exceeds the maximum weight limits on the weight chart may want to reconsider participation in a Sea Base high adventure program. Anyone who exceeds these limits is at extreme risk for health problems. Participants who fall within the guidelines are more likely to have an enjoyable program and avoid incurring health risks. The absolute weight limit for our programs is 300 pounds.

The right hand column shows the **maximum recommended weight** for participating in a Sea Base high adventure program. Anyone who exceeds these limits is at extreme risk for health problems.
