...Let's Get into Gear**

CAMPORALL

What is a CAMPORALL?

Troops have campouts, Districts have camporees, but when all the units in our Council gather together, it's a special event...it's a CAMPORALL! This years theme:

Getting into Gear!

There are three principle reasons to have a CAMPORALL:

1. To provide and an adventurous learning experience for all Cub Scouts, Boy Scouts, Ventures, and Explorers. These youth members will benefit from the excitement of participation in a Council event with Scouts from across southwest Michigan!
2. To provide unit members with activities in a greater and larger setting than they can accomplish in their own hometowns.
3. Friendly competition and fun! This is a celebration of Scouting in southwest Michigan!

The bottom line is this: The "what and why" for having a CAMPORALL are the same reasons why you and our units should participate in a CAMPORALL. CAMPORALL is a dramatic SETTING FOR COMPETITION, TEAMWORK AND FUN for Scouts of all ages.

How to get started:

- **Read:** The CAMPORALL booklet. Make some notes on what you would like your units to do.
- **Share:** CAMPORALL information with your youth members and leaders.
- **Discuss:** Preparation, youth leadership and committee support.
- **Appoint:** A Scoutmaster, Cubmaster or Crew Advisor and your Committee Chairman to the SWMC Centennial Leadership Team. Troops, Crews and Posts may also appoint a 16+ yr old youth to the team!
- **Develop:** A plan to have all of your members, dens & patrols participate.
- **Call:** Have phone numbers available if anyone needs more information or help!

Begin planning your CAMPORALL experience by....

- Reading this guide thoroughly
- Sharing the information with the unit Committee, adult leaders, and youth members.
- Build team spirit so preparation can begin immediately. Promote, promote, promote!

When planning your CAMPORALL experience booth remember...

- Attend Roundtable meetings and other District meetings regarding the CAMPORALL so you can have the best information possible.

As Soon As Possible...

CAMPORALL & Cub Adventure Day Information

♦ = Important for Cub Scouts as well

♦REGISTRATION

To ensure proper leadership for the youth, **registration must be UNIT-based rather than individual-based.** Register only those who are firmly committed to attend because the event will be held "rain or shine"; and NO refunds will be issued, except for *major* medical reasons. (Refund requests must be made in writing and submitted to the CAMPORALL Chairman within two days of the close of the event.)

Everyone who attends CAMPORALL must register for the event; and all attendees will be issued an appropriately colored wristband, *which must be worn at all times.* For safety reasons, unregistered people will not be permitted to participate in CAMPORALL activities.

♦PHOTO RELEASE

All Scouts and leaders must have a completed photo release on file. Release forms are attached.

CAMPORALL ARRIVAL AND CHECK-IN

ALL vehicles are to enter at the museum's main entrance on Hickory Road, off M-89. (*Carpooling is strongly encouraged to reduce traffic congestion.*) Drivers will be directed to the appropriate parking area, from which passengers will embark and walk to their campsites. Equipment vehicles can be taken to campsites but should be moved to the parking lot after unloading. (One trailer can remain at the campsite.)

Soon after arrival, a representative of each unit should report to Headquarters to submit a revised unit roster (if necessary), obtain wristbands and additional program materials, and rectify any outstanding balance of fees.

♦Cub Packs should arrive as a group, and one leader proceed to CAMPORALL HQ to check the group in.

There is limited R/V space with hookups. There are extra fees for this service. Please contact the museum if you are coming by R/V.

CAMPSITE COMPETITION

Each district will have its own designated camping area with campsites that have been assigned based on unit size. Troops are encouraged to erect gateways (free-standing, no holes, please) and to display patrol flags at their campsite entrances. Each district will recognize units with the best gateway and with the best patrol flag; and winners will be announced at the Campfire Show.

CAMPFIRE SHOW (SATURDAY)

Scouts can audition for the talent portion of the Stage Show; and the top six acts will perform Saturday night. Performances can be by individuals or groups and can be any type of "G-rated" entertainment. Each act is limited to three minutes. (Audition times will be pre-arranged.)

FIRE/FUELS

NO GROUND FIRES ARE ALLOWED! Charcoal, propane, or liquid fuel stoves are permitted. Wood fires are permitted in “off the ground” containers. Please be sure you do not scorch the ground.

Review liquid fuel information in *The Guide to Safe Scouting*. Only adults are allowed to handle liquid fuels; and all stoves and lanterns must be filled on the parking lot.

Whenever fire is burning in a campsite, an adult must be in attendance to oversee safety measures. Any fire that gets out of hand should immediately and properly be contained; and the incident, no matter how minor, should be reported to CAMPORALL Headquarters.

GARBAGE

Please keep the Camporee grounds clean! Although limited trash receptacles will be available throughout the program and headquarter areas, **ALL UNITS ARE REQUIRED TO CARRY HOME GARBAGE FROM THEIR CAMPSITES**. In addition, attendees are asked to pick up and properly dispose of any trash found on the CAMPORALL grounds.

◆LATRINES

Portable toilets will be on-site. A few flush toilets will also be available.

◆PROPER UNIFORMING IS ESSENTIAL

Scouting is on display and the public will judge you and your charter organization by your appearance and actions. Wear your uniform.

FIRST AID

◆A First Aid Station, staffed by qualified emergency medical response personnel, will be located near Headquarters. *All injuries must be reported to the First Aid Station*. If the injury involves a child, an adult must accompany that youth to and from the First Aid Station and, if necessary, the hospital.

A completed “Personal Health History and Parent Authorization” form is required for each participant. These health forms are to be kept on the premises by the unit and taken to the first aid facility if treatment is needed. The medical information is required if local hospital or emergency services become necessary.

◆TRADING POST

A Trading Post with Scout goods and CAMPORALL & Centennial collectibles will be open on Saturday.

SCOUT'S OWN SERVICE

An inter-faith worship service will be held on Sunday morning at the morning flag raising. The collection from this service will be donated to the World Friendship Fund.

IMPORTANT

◆NO alcoholic beverages are permitted anywhere on the premises.

◆◆NO smoking is allowed in the museum, campsites, the program areas, or the administrative zones.

◆◆◆BSA Youth Protection Guidelines must be followed at all times.

◆◆◆◆AT NO TIME will bicycles, motorbikes, skateboards, roller skates, wheeled shoes, roller blades, or scooters be allowed on the CAMPORALL grounds.

General rules are listed in this packet, but there will be no weigh-in, brackets or trophies. Cubs can race their cars against like Cubs from across the Council.

Pinewood Derby cars should be taken to the display area after your unit has checked-in. The cars will be judged at 12:30 pm for design and build ribbons!

Celebrating the Adventure ★ Continuing the Journey

Special Program Features:

CAMPORALL CAMPSITE INSPECTIONS

GENERAL CAMPSITE INSPECTION CRITERIA

- Campsite uses the guidelines found in the *Scout Handbook*.
- Its organization and arrangement is appropriate to the size of the troop and the space available
- Living quarters are clean and neat; and troop equipment is properly stored.

RADIO BROADCASTING

Any Troop/Post/Crew member has an opportunity to do a 30 minute “radio” broadcast during Saturday. We will have a DJ set-up to broadcast music and information during the day. Interested “DJ’s” should submit a 10-15 minute audition tape or CD of a “radio show” featuring car-themed music. Audition tapes are due at the Kalamazoo Scout Office by September 11, and winners will be notified by mail and their time scheduled at the Friday night Leader’s Meeting. This is a really cool opportunity for aspiring entertainers or broadcasters!

SCOUT MODEL CONTEST

Scouts may bring a plastic car, plane, ship, or truck model to be judged in our model contest! Models will be displayed all day Saturday and will be judged in the afternoon. Models will be categorized by grade (5-6; 7-8; 9-12) Only CAMPORALL registered Scouts may compete. Models are to be built by the Scout and completed before the CAMPORALL.

CAMPORALL POTLUCK

At 6:30 pm on Saturday, each troop should bring their favorite dishes – enough to feed their unit plus 8 - 10 additional to the potluck area. We’ll have a CAMPORALL Potluck where you can sample a smorgasboard of other unit’s favorite dishes. The CAMPORALL will provide rolls, beverages and plates/cups. You will need your own silverware and serving dishes.

♦Tiger Cubs and Cub Scouts may camp **as a unit** on FRIDAY night, according to Pack Family Camping regulations, in the Cub Scout area. There is no additional cost for this. **Cub Scout camping is ONLY available on Friday night.** Cub Scout Family Camping policies must be followed at all times.
